

EGSA 2025 All-Star Policy

All-Star Team Selection Process:

- A. The All-Star roster shall consist of one team with eleven or twelve players. The number of players will be determined by the Selected Manager. This team will be identified as the Gold team. If two or more teams are formed (to be determined by the Board) a maximum of 12 players will be rostered for each team. The Board must agree by a majority vote to select two or more All-Star teams. (Any Board member with a player assessing for a team, will not be a part of the vote due to a conflict of interest) **Note: Two or more teams must have proper player skill support to be League sanctioned.** The Gold team must be comprised of the best players of their respective division. A Silver team may only be assembled after the Gold team is completely assembled.
- B. Open tryouts will be held for each division and will be open to any player that wishes to play on the EGSA All-Star team. There is no invitation or nomination needed.
- C. EGSA will utilize a scoring rubric to assess the performance of each player. The scoring rubric will assess for fielding, throwing, hitting, accuracy, and speed. The scores from the Selection Committee will be averaged for a final total score, with the maximum score being 25. Any player who receives a score of 18 or higher, will have the opportunity to advance in the tryout process and participate in a scrimmage on the same day of assessments. The scrimmage will not yield a score for any player. Players will play in the positions they registered for. **Note: A scrimmage will only take place based on the number of registrants for each division.**
 - Members of the Selection Committee will each create a roster. Players who are on all five rosters will make the final roster. Next, players who are on 4 out of the 5 rosters will make the final roster. This will continue until the roster has nine players.
- D. The Selection Committee will bear the burden of selecting the team rosters. The Selection Committee will consist of the Division Player Agent and four EGSA assessors. Should any of the Board Members on the committee have a child trying out for the team; the committee burden will fall to the next board member in line as appointed by the All-Star Commissioner (unless there is a conflict of interest).
 - The Selection Committee may select 9 players per roster. The All-Star Manager for each division may choose 2-3 additional players who had an eligible score.
 - The Selection Committee will prioritize and focus on selecting the best 11-13 players to

represent Gold. Then the Silver roster will be **considered** with the remaining eligible players and so on.

- E. Teams must be dismantled by July 31st, 2025.
- F. Players do not have an option as to what roster they are selected for. At any time, should a player withdraw from the team without justifiable reason is grounds for ineligibility in future Eastvale Select & All-Star teams, as determined by the All-Star Committee.
- G. Player who plays on any team other than their EGSA Rec team after March 31st, 2025, is ineligible for All-Stars. This does not include Select, which ends April 6th, 2025.
- H. A team shall not have more than 4 players who played with a travel ball team after January 1, 2025.

All-Star Manager Selection Process:

- A. All-Star Manager candidates must be in good standing with the league to be eligible to manage an All- Star team.
- B. All-Star Manager candidates will undergo an interview by the Board of Directors. The Board of Directors will short list the interviewed manager candidates that they feel can best carry out the manager duties for the entire All-Star season.
- C. The following persons can vote for the All-Star manager:
 - a. The Board of Directors, excluding members who have a child in the division in which the manager is applying for.
- D. The All-Star Manager will be selected from a list of interested Divisional Managers. Potential All Star managers must register their interest in managing on the league form by a deadline determined by the All-Star Commissioner. To be eligible for an All-Star Manager, you must have coached in some capacity during the spring 2025 season. All potential All-Star Managers must be willing to put in the time and effort required by the position.
- E. There will be zero tolerance for any Divisional Managers that are campaigning for the All-Star Manager position. If campaigning has occurred, the All-Star Committee, when reviewing the Manager application, will consider this when rating the Manager and reserves the right to decline the application accordingly.
- F. If more than one All-Star Team is to be formed in the same Division, the above process shall be followed.
- G. An All-Star team will consist of one manager and a maximum of three (3) coaches. The All-Star Manager will be able to select whomever he/she wants as an assistant coach, as long as they are in good standing with the league. Once an All-Star team is formed, it must play as formed under the nominated All-Star Manager.

- H. The selected All-Star Managers need to make a commitment for all practices and tournaments. If a full commitment cannot be made, the All-Star Manager should not run for the position.
- I. Any Manager candidate receiving a disciplinary letter from the Board during the spring season shall advise the All-Star Committee. Receiving two letters during the season shall make the manager ineligible for the All-Star Manager or Coach Position.

Team Sponsorships:

- A. Each All-Star Team formed will be required to obtain an official team sponsor. The amount of Team sponsorship is \$300, if the sponsor would like a banner the total sponsorship is \$350. Sponsor fees may be paid by cash or check and must be paid before uniforms are issued. A Team may split the cost of sponsorship between more than one individual and/or business.
